

# Mils Delivery Policy

## Delivery Policy

Depending on the destination of your letter, Mils selects the printing partner the suits your needs best. Each printing company cooperates with a range of couriers.

Prior to your purchase, Mils displays both the selected printing company and the name of the courier that will be in charge of the delivery within the application.

You cannot change the courier not the selected printing company.

The delivery time depends a wide range of parameters such as the distance of the selected printing partner from the destination, the selected courier, the date and time of the purchase, and other constraints such as weather.

Therefore, Mils cannot guarantee an exact delivery date.
